PROFESSIONAL SUMMARY

Certified Associate Data Engineer (DataCamp) with hands-on experience in SQL, Python, data pipelines, and ETL processes. Currently pursuing a Diploma in ICT at Ahmed Shahame Mwidani College and completing an attachment at Swahilipot Hub Foundation where I contributed to building a full stack Internal Management System using React, Node.js, PostgreSQL, and AWS S3. Also skilled in web and mobile development. Open to opportunities in data engineering and software development.

EDUCATION

Diploma in Information & Communication Technology

Ahmed Shahame Mwidani College

Expected Graduation: April 2027

CERTIFICATIONS

★ Associate Data Engineer

DataCamp | June 17, 2026

Official Professional Certification | #DEA0012357548029

Understanding Artificial Intelligence

DataCamp | May 2026

2.8 CPE Credits | #UAI1677992402

Understanding Data Engineering

DataCamp | May 2026

2 Hours | #47,816,248

Introduction to SQL

DataCamp | May 2026

2 Hours | #47,941,404

Intermediate SQL

DataCamp | May 2026

4 Hours | #47,963,205

TECHNICAL SKILLS

Data: SQL, PostgreSQL, Python, Data Pipelines, ETL

Web: HTML5, CSS3, JavaScript, Bootstrap, React

Backend: Node.js, Express, Django

Mobile: Flutter, Dart

Cloud: AWS S3, JWT Auth

Tools: Git, GitHub, VS Code, Vite, Tailwind CSS

EXPERIENCE

Tech & Innovation Intern

Swahilipot Hub Foundation | Mombasa, Kenya

May 2026 – August 2026

- Co-built SwahiliPot IMS — a full stack Internal Management System using React, Node.js, Express, and PostgreSQL
- Implemented QR code-based trainee attendance tracking system used across 9 departments
- Integrated AWS S3 for secure file storage and Nodemailer for password reset emails
- Developed JWT authentication with HttpOnly cookies and department-scoped data access
- Collaborated with a team using Git and GitHub for version control

PROJECTS

SwahiliPot IMS

React, Node.js, PostgreSQL, AWS S3, JWT

Full stack internal management system for a real NGO.

Features QR attendance, department form submissions, downtime reporting, and role-based access for 9 departments.

Personal Portfolio Website

HTML, CSS, JS, Bootstrap

Fully responsive portfolio website with animations, certificate showcase and CV download. Live on GitHub Pages at techwizh.github.io/my-website

Task Party — To-Do App

HTML, CSS, JavaScript, localStorage

Dependency-free task manager with full CRUD, localStorage persistence, filter views, and confetti animations. No frameworks or build tools required.
